MEMBERSHIP OF BIRDLIFE PORT NATAL

BLPN is based in the eThekweni Municipality with two satellite groupings for indoor meetings: Krantzkloof Birds and Sapphire Coast Birding. Regular activities are arranged by BLPN for its members include talks, walks, workshops, courses and weekends away. On average there are around 7 possible activities per month for members to attend free of charge. Visitors are always welcome but will need to pay an attendance fee.

Details of all activities, news and events appear on the website, in the Monthly Diary which is emailed to all members, as an insert to the KZN Birds regional magazine, and in weekly email reminders. Bookings and details are available from the Activities Co-ordinator Jane Morris (janette@mweb.co.za),

New members and beginners are most welcome - no prior knowledge of birds or birding is necessary.

As stated above as a member of BLPN you will receive news and notices relevant to all activities occurring under the BLPN umbrella. However, if you wish to specifically associate with one of our satellites please tick the appropriate box so we can ensure that you receive the additional reminders about things happening as part of the satellite activities.
